

Create a New MyEverythingDiSC Account

You can setup a MyEverythingDiSC account after completing your Everything DiSC® assessment.
Contact your Everything DiSC administrator if you have any questions.

From the Assessment Site

1. Click the link in the email you received to open the website where you took your Everything DiSC assessment.

This email will help you get set up to take the Everything DiSC Profile assessment.

First, you'll be asked to create an account with an email and password or sign into your existing account. Then, you'll proceed to the assessment. To get started, click the following link:

[Take my assessment](#)

If you have trouble using the link above, go to <https://www.wiley-epic.com> and enter the Access Code shown here:

Please note:

1. This is your personal Access Code. Do not share it or this e-mail with others.
2. Once you create your account credentials (email and password), you will use them to access any future Report(s) associated with your account.

2. Enter the email address and password you created before taking your assessment and click **Sign In**.

Welcome back to your personalized learning experience!

Please enter your email address and password to complete your assessment.
Passwords are case-sensitive.
